SOURCE

Eight DC-3s, coming from the northwest, landed at the ALTENBURG (N 51/A 27) airfield at 8:45 a.m. on 18 August 1949. They practiced take-offs and landings throughout the morning. Seventeen other DC-3s were parked at the northeastern edge of the field. Passenger car [REDACTED] were seen on the approach road.

Comment: Report shows that the ALTENBURG airfield is still occupied by LI-2 transport aircraft. The motor vehicle [REDACTED] previously observed in STRAUSBERG. This observation indicates that the air transport unit stationed in ALTENBURG is the one that was previously located in STRAUSBERG. From the number of aircraft observed, it is inferred that this unit is a regiment.
